

PEZZ

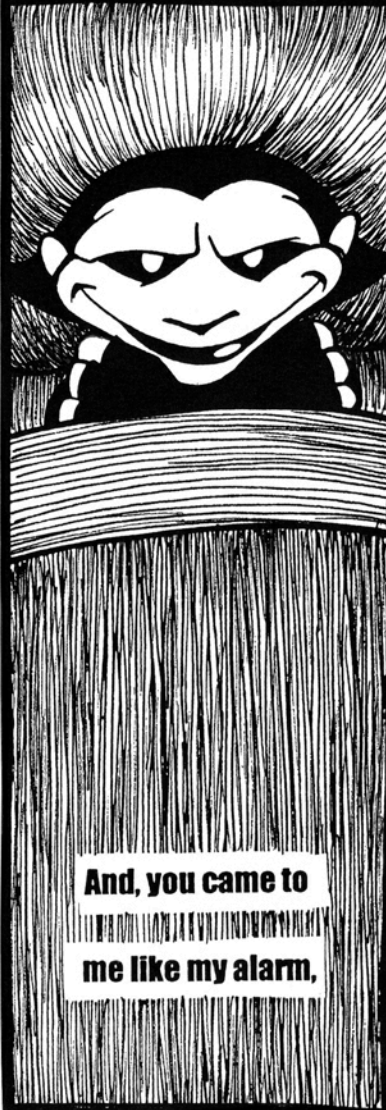

This book contains images about a little kid who gets fed up with all that society throws at him. This is dedicated to the children who have had there backs turned on them, the children who prefer shadows instead of sunshine, the freaks of the underground. This is the story of Gothy. He's an "M &M" kid who is sick of this happy go lucky world and what it has to offer. He needs to be heard. The words he knows will rain true, he just needs people to give him a chance. This is his story and how he becomes more famous than Marilyn Monroe and more legendary than Charles Manson.

BBBBBBBBRRRRRIIINNNEEE

I carved your first
and last name
in my arm,

But now I only wear black so
maybe then you will see,

I'm just a shadow
of what I'm not
supposed to be,

And, you came to
me like my alarm,

You fuel my fire with your laughs and with your frowns,

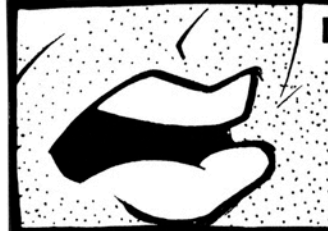

You called me a freak and join the circus you clown

CLOSED
COME AGAIN

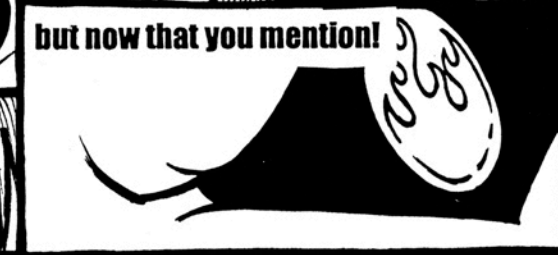

I heard a man say that I do it for attention,

I never thought of that,

but now that you mention!

MENS

No, I never drank blood before.

But I look like I might

With my face
painted

WHITE

SPOKEN

For just this once I wish you'd all just hear what I have say,

For just this once I wish you'd all just turn and fade away,

For just this once I wish you'd all just hear what I have to say,

For just this once I wish you'd all just turn and fade away,

But now-a-days are different
from a way back when,

It's so hard to be yourself

when your 4 + 10

For the very first time I feel kinda special,

My mom says
be normal

yet she just
got a facial!

When my parents go away

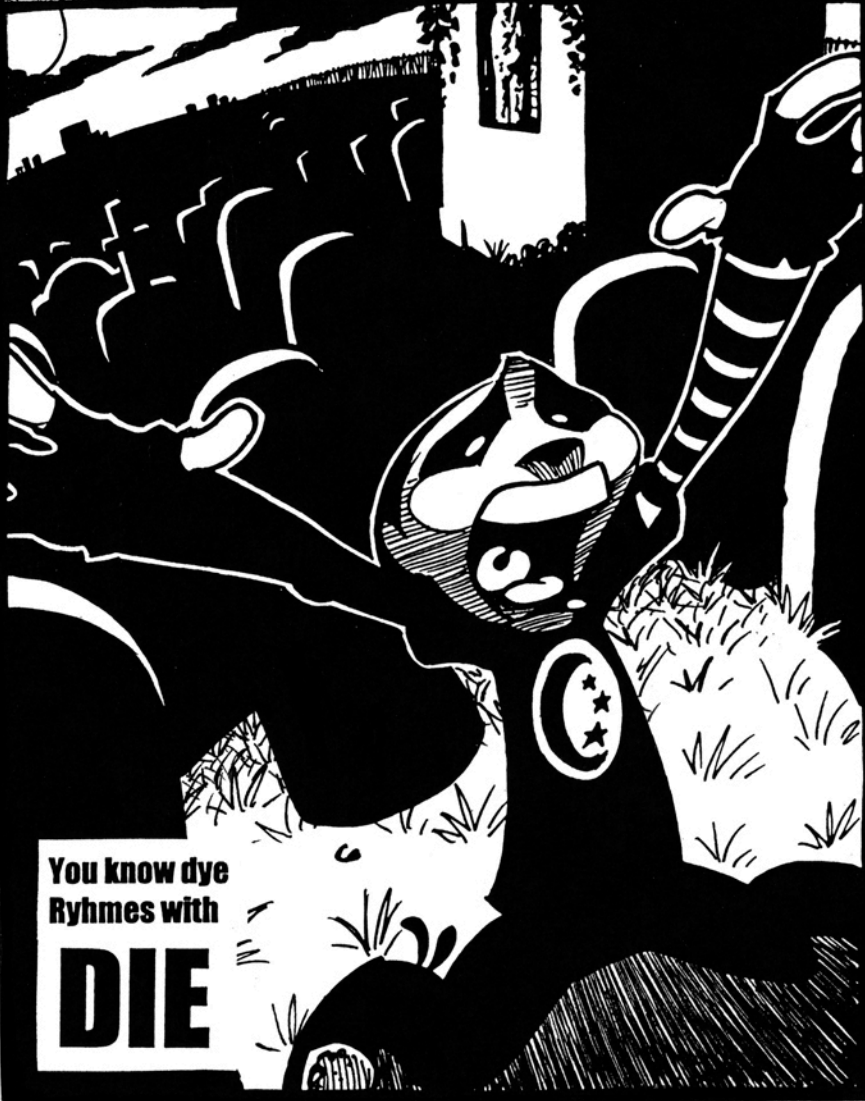

Then I'll join your tour

I heard a girl say th

I never thought of that but now that you mention!

I spent my last ten bucks today,
on black hair dye

You know dye
